

Remarks

The specification has been amended as set forth above to add a claim for priority to the underlying PCT and GB applications.

Original claims 1-28 have been cancelled without prejudice and new claims 29-51 have been introduced. Independent claim 29 finds descriptive support in original claim 2, and dependent claims 30-40 find descriptive support in original claims 3-12 and 15, respectively. Independent claim 41 finds descriptive support in original claim 17, and dependent claims 42-49 find descriptive support in original claims 18-25, respectively, with claim 46 having additional support in original claim 7. Claims 50 and 51 find descriptive support in original claims 26 and 27, respectively. Thus, new claims 29-51 do not contain any new matter. Claims 29-51 are pending.

Applicant hereby request entry into the National stage and examination of the above-identified application.

Respectfully submitted,

Date: September 18, 2006
